Under the agreement for 2015
Nebo State School will receive

$18,500*

*Estimated on 2014 data. Actual funding will be determined after 2015 enrolment data is finalised.

This funding will be used to

- Ensure that 100% of students in Years 3 and 5, meet the National Minimum Standards in NAPLAN testing for Literacy and Numeracy in 2015-2016, OR meet the guaranteed standards outlined in students’ Individual Learning Guarantees (ILG).
- Increase the number of students in Years 3 and 5 to obtain NAPLAN testing results in the middle and upper two bands for 2015-2016; minimal 45% for Year 3 and 35% for Year 5.
- Ensure that 80% of all students in Prep to Year 6 achieve a C or better in English and Mathematics for 2015.

Our strategy will be to

- Build teacher capability of all staff through professional development to teach key Literacy and Numeracy concepts.
- Implement targeted intervention programs for students identified as needing additional support, or for students anticipated as requiring an Individual Learning Guarantee.
- Obtain and utilise additional human and physical resources to provide support for students to achieve and meet targets.
- Monitor and review student performance by using a continuous process in Literacy and Numeracy to provide feedback and monitor improvement, via weekly reports, five weekly data grabs and term by term analysis.

Evidence:
- Archer, Anita & Hughes, Charles – Explicit Instruction: Effective and Efficient Teaching, Guilford, 2011

Our school will improve student outcomes by

- Provide focused professional development programs for staff, to build capability to address and enhance Literacy and Numeracy concepts and programs, Explicit Instruction, data analysis, and coaching & feedback ($7000).
- Utilise an additional Teacher and Teacher-Aide to target intervention and provide additional support to students; in supporting whole school Literacy and Numeracy programs ($9000).
- Purchase additional Literacy and Numeracy resources to support whole school programs and student needs ($1500).
- Utilise diagnostic assessment tools to collect data to monitor and track student performance ($1000).
